# PRETTY PRINTABLES

for busy teachers

The image displays four overlapping grocery list printables, each with a different color scheme and layout. The printables are designed for busy teachers and include the following features:

- Color Schemes:** The printables use various colors for headers and labels, including orange, pink, green, black, yellow, and blue.
- Categories:** The printables are organized into columns for different grocery categories, such as produce, dry goods, refrigerated, frozen, fruits, snacks/beverages, and household items.
- Days of the Week:** Each printable has a column for each day of the week (Monday through Sunday), with the day name written in a matching color.
- Checkboxes:** Each item in the list has a small circle next to it, serving as a checkbox to track items.
- Additional Features:** Some printables include a "remember to get..." section and a "notes" box at the bottom.

The printables are arranged in a way that shows they are part of a larger set of resources. The background is a solid pink color.
